To All Ex Apprentices.

## Increase In Membership Joining Fee.

Alas over the past 2 years with the higher postage costs, as well as a further increase due in April this year, coupled with increased production costs of our “in house” magazine - The Chronic. It has been the committee’s decision in January that the 5-year membership fee should be increased from £20.00 to £26.00. This amounts to £1.20 per year or the equivalent of 4 x 2<sup>nd</sup> class stamps.

However the good news is that a new Chairman designate has come forward to lead the Association from the year 2010 (our 100<sup>th</sup> Centenary). Hopefully he will lead the Association well into the next decade with a new and positive direction in all of its future activities.

Full details of which this mysterious ex-apprentice is, will be revealed in the July 2008 edition of ‘The Chronic’.

Yours sincerely, *Bruce Legg.*

Revised fees are:- UK membership **£26.00** until December 2012.  
Overseas membership **£30.00** as above.

Where the cheque is not in sterling (£), please add **£6.00** to cover bank commission charges.
