

From Michael James – an invitation

REUNION and Celebration of 100 Years at RAE-during Air Show

Hello Fellow Apprentices.

It is Air Show Year again and as this is our 100 Year Anniversary we are planning to have a reunion on the Saturday 24th July 2010 in Farnborough to take in our old haunts and to get access and enjoy the Air Show.

The details are still sketchy so we will keep the precise detail for later. So watch this space for further information.

We would like to ask those that visit this site to email me michael@mygoldbox.co.uk if you wish to be kept informed, whether you wish to go and if you would volunteer as a steward.

We are planning to find some Car Parking space somewhere from 9:00 am and then visit hopefully the FAST exhibition and Farnborough College of Technology. We are endeavouring to organise a buffet lunch for late morning and then on to the Air Show (<http://www.militaryairshows.co.uk/ven5.htm>).

We are looking for Sponsors of the Buffet Lunch, so if you have influence in any organisation that would like to show support to the Ex RAE Apprentices please contact me.

The intention is to enable as many ex-apprentices as possible to attend regardless of year and they can be One Apprentice with up to 3 family members to be welcomed to the Reunion.

We are in contact with Farnborough International Ltd and are hopeful they will look on us favourably regarding tickets.

So actions on you all are:

- 1. Please respond whether you wish to attend and an idea of party size**
- 2. Please respond stating whether you can offer your services as a Steward**
- 3. Have you any contacts that would be interested in sponsoring any of the event?**
- 4. Please pass on the information of this event to other RAE Apprentices**

There is not much time to get this organised so please get back to me as soon as possible and we will do our best to keep you informed and assuming we are successful in organising this event I and all the other Apprentices that attend look forward to seeing you there.

Please send emails to michael@mygoldbox.co.uk I look forward to your replies.

Michael James – 1966 intake
